

Football Federation Northern Territory (NT) **Alcohol Management Policy**

This policy aims to provide a basis for the responsible use of alcohol by the **Football Federation NT** and is seen as fundamental to the aims of the club.

The club recognises the importance in holding a liquor license in the value it adds to the club, enabling it to generate income and hold social functions, but in doing so the club also accepts the responsibilities and expectations of the community in strictly adhering to the liquor licensing laws.

To ensure the aims of the club are upheld and that the club and its members manage alcohol responsibly, the following requirements will apply when alcohol is served at the club or during a club function.
