

SAFE TRANSPORT POLICY

Football Northern Territory

1. PURPOSE

This policy outlines our procedures for safe transport after special events, functions and other club-related activities where alcohol may be consumed. It represents our commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure our organisation:

- Meets its duty of care in relation to the health and safety of our members, volunteers and visitors who attend any club games, special events, functions and other activities.
- Upholds our reputation and the reputation of our sponsors and partners.
- Understands the risks associated with alcohol use and driving, and our role in minimising risk.
- Educates our members about standard drinks.

2. RATIONALE

Ensuring members, visitors and guests getting to and from club games, activities and events safely is an important part of being a responsible, healthy club.

While **Football NT** wishes to avoid club members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of our duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. GENERAL PRINCIPLES

Football NT recognises that:

- Drink driving is one of the main causes of road deaths in Australia.
- Driving when over the legal blood alcohol limit is illegal and hazardous to individuals and the wider community.
- Mixing drugs (including prescription medication) with other drugs or alcohol can seriously affect the ability to drive safely.

4. TRANSPORT FOR CLUB ACTIVITIES

This safe transport policy applies for all activities undertaken by Football NT that involve the serving and/or consumption of alcohol.

Football NT will:

- Promote strategies that encourage members to plan how they'll get home safely before they go out e.g. pre-arranged transport.
- Print safe transport messages on relevant club activity and event invitations or flyers.
- Ensure the MC for events or club committee members advise attendees that Football NT is Good Sports accredited, communicate the safe transport options and regularly remind attendees to behave responsibly around alcohol.
- Ensure telephone calls can be made free of charge to call a sober person to provide transport from the club or venue.
- Use a range of taxi or ride share strategies such as:
 - Free telephone calls to arrange a taxi to provide transport from the club or venue.
 - The club committee will pre-order taxis to arrive at a club or venue at the conclusion of a club event or function.
 - Encourage club members to utilise a ride share service.

5. LIQUOR LICENCE FOR ANY CLUB EVENTS OR FUNCTIONS

Football NT will promote low alcohol and non-alcoholic drinks as options and available at reduced prices.

Bar staff/ servers of alcohol will encourage members, volunteers and visitors to:

- Consume food while drinking alcohol at the club.
- Consume alcohol in moderation bearing in mind our commitment to the Good Sports program, its philosophies and policies.
- Make alternate safe transport arrangements if they are considered to be intoxicated or at risk of exceeding the legal limit (e.g. free call to a taxi/friend/family).

CONDUCT EXPECTATIONS

Whilst engaging in club activities, members, volunteers and visitors will:

- Accept responsibility for their own behaviour, use good judgment and take a responsible approach towards alcohol consumption.
- Encourage and assist others to use good judgment regarding alcohol consumption.
- Make alternative transport arrangements to get to and from the activity safely.
- Share a taxi or ride share (where available) with friends.
- Consider arranging overnight accommodation.

6. PROMOTING THIS POLICY

Football NT will:

- Educate members, volunteers and guests about our policy and the benefits of having such a policy.
- Implement strategies to create awareness of safe transport messages to club members (e.g. display standard drink posters/ cards to help patrons recognise what standard drinks are and the implications on drink driving).
- Ensure this policy is easily accessible and will promote it via our website, newsletters, social media, announcements during events and functions.

7. POLICY REVIEW

This policy will be reviewed annually to ensure it remains relevant to club operations and reflects both community expectations and legal requirements.
